Submitted locations may not be accepted if they don't meet the guidelines below:

Locations submitted with just one photo will not be accepted. Send as many photos per location as you can (up to 20 max). NOTE: You will not be able to edit your listing once submitted, so please submit all photos at one time. If submitting a home or other building, please include interior and exterior shots. If interior shooting is not allowed, please make a note of this under the "usage restriction" field. Please note that all location photos submitted to our office are for our clients only. Please don't submit photos shot in inclement weather (snow, fog, rain, etc.). Headshots or other photos highlighting people will not be accepted. Please only submit location photographs. Please send large, monitor-quality photos so we can see more location detail. If you know how to adjust picture settings, here are some general standards:

Technical Requirements for Photos
144-150 dpi
File size between 200KB and 1 MB
JPEG compression at good quality
1280x1024 resolution
Physical photo size 8.5"x11"

**Submit completed forms: Mail to P O Box 2995, Gainesville, GA 30503
